

USDA FSIS, AMS & APHIS Services

Specializing in USDA Regulatory Matters

EAS Consulting Group

A Certified Group Company

EAS Consulting Group, LLC is a leading provider of regulatory services to USDA industries. We have more than 50 years of experience assisting clients with developing regulatory strategies, implementing quality assurance programs, and helping contract manufacturers comply with USDA regulations. EAS Independent Consultants are a unique team of former State regulatory officials, FDA and USDA officials and industry experts, many of whom have more than 30 years of food, experience.

We are experts in Animal and Plant Health Inspection Service (APHIS), the Agricultural Marketing Services (AMS) and the National Organic Standards Board (NOSB), and provide solutions with food safety. Our experts assist with food safety, organic production methods, processing claims, food defense and food fraud.

Choose EAS for:

- ✓ Quality and Organic Readiness Assessments
- ✓ Labeling Compliance
- ✓ Process Claims Substantiation
- ✓ Contract Manufacturer Qualification
- ✓ Hazard Analysis and Critical Control (HACCP) written food safety program
- ✓ Food Safety Plans
