

Dairy Consulting Services

Specializing in FDA Regulatory Matters

EAS Consulting Group

A Certified Group Company

EAS Consulting Group is the proven choice to address food safety, FSMA, labeling, Grade "A", USDA AMS Plant Survey Program and compositional challenges encountered by dairy processors. Our consultants have extensive experience in milk bottling, frozen dairy, yogurts, and cultured cheeses. Our services include preparation for the Global Food Safety Third Party initiative certification. We also support adherence to the National Organic Standards Board (NOSB).

With more than 50 years of experience assisting clients in developing regulatory strategies, implementing quality assurance programs, and assisting contract manufacturers with compliance in USDA regulations, EAS is the proven choice to assist clients with all aspects of USDA compliance.

EAS regulatory capabilities include:

- ✓ Grade "A" Interstate Milk Shipments (NCIMS) Compliance
- ✓ FSMA PCHF Compliance
- ✓ Onsite Regulatory Food Safety & Quality Compliance Assessments
- ✓ Equipment Sanitation Program Design
- ✓ Management of Government (State, FDA & USDA) Regulatory Investigations, Warning Letters & Recalls
- ✓ Product Label Reviews
- ✓ Processing Training
